Re: *In the Matter of the Application of Duke Energy Ohio, Inc., for an Increase in Gas Rates*
Case No. 12-1685-GA-AIR, *et al.*

Dear Ms. McNeal:

On July 20, 2012, Duke Energy Ohio, Inc., (Duke Energy Ohio) filed the Direct Testimony of Gary J. Hebbeler relative to the referenced matter. At the time of the filing, Mr. Hebbeler's testimony contained a typographical error and Duke Energy Ohio now seeks to correct that error. The testimony of Mr. Hebbeler, at page 23, lines 8 through 11, should read as follows: "On the other hand, the total implementation cost for the ASRP would be approximately \$290 million, including a 20 percent contingency. Under the proposed ASRP, Duke Energy Ohio sees the potential to save customers \$71 million."

Should you have any questions or comments regarding this matter, please do not hesitate to contact me.

Very truly yours,

Amy B. Spiller
