QUESTION DESCRIPTION:

You approved 5-6percent rate increase for AEP. Why? I did not get a 5 percent increase this year,last year, or even the year before. What gives you the right to approve such a huge increase? What other choice do I have I have other than AEP? I know people on social security did not get a 5 percent raise! Maybe you got a 5 percent raise and won't be affected like the rest of us people. If PUCO is watch our rights you guys really sucked this time!
