COMPLAINT DESCRIPTION:

I'm Complaining about the increase in are Electric bill starting in September of this year increase to 6 to 7% in our bill which will hurt my family since we are having trouble in paying our bills since i am only working part time hours at this time, and this increase is unfair to those who struggle in paying there bills as it is in today's world, why raise our bills so we can struggle even more to suit your needs to meet today's world.So please take my bill into consideration by not raising our bill anymore then what it is now please,i would appreciate it very much thanks. Jerry R. White
