To Whom It May Concern:

Our company recently received their Certificate from the Public Utilities Commission of Ohio to be licensed electrical aggregators. The certificate number is: 12-546E(1) and our case number is: 12-1939-EL-AGG. The name on the certificate reads BKE Mechanical, Inc., the name of our corporate holder. However, since we plan to do business in Ohio under the name of BKE Energy, Inc., we wish to have the certificate granted to BKE Energy, Inc. We have talked to Chuck Stockhausen from the Public Utilities Commission and we were told that if we sent a copy of our certificate from the Ohio Secretary of State showing our registration of the name BKE Energy, Inc., this change would be possible. Thank you for your help and if you have any questions, please feel free to contact us at:
