**MOTION FOR MODIFICATION OF PROCEDURAL SCHEDULE**

Ohio Edison Company, The Cleveland Electric Illuminating Company and The Toledo Edison Company (collectively “Companies”) respectfully request a modification of the procedural schedule in this case, specifically, the August 30, 2012 Technical Conference. On August 16, 2012, the Attorney Examiner issued an Entry establishing a procedural schedule for the Companies’ energy efficiency and peak reduction demand plans. One of the dates that the Attorney Examiner scheduled was an August 30, 2012 Technical Conference.

The Environmental Law and Policy Center, the Sierra Club, the Ohio Environmental Council, and the Natural Resources Defense Council (collectively, “Environmental Advocates”) have indicated that they have a conflict with the Technical Conference date. Upon inquiry, the Collaborative Members, including the Environmental Advocates, indicated that September 6, 2012 is an appropriate date for the Technical Conference. Therefore, the Companies respectfully request that the Attorney Examiner modify the procedural schedule and re-schedule the Technical Conference to

September 6, 2012. The Companies also request that the Attorney Examiner maintain the other dates contained in the procedural schedule.

Respectfully submitted,
