Letter of Notification
Inland-Jordan Q11 & Q14 138 kV Transmission Line
Loops to Clinic Hospital Substation Project
Case No. 12-2397-EL-BLN

2012 AUG 29 AM 10: 01

Dear Ms. McNeal:

In accordance with Rule 4906-1-11 American Transmission Systems, Incorporated ("ATSI"), a subsidiary of FirstEnergy Corp., transmits one (1) original and eleven (11) copies of the enclosed Letter of Notification for the above captioned project. In this project, ATSI is proposing to install two (2) approximately 300 foot (0.06 miles) long loops from the existing Inland-Jordan Q11 & Q14 138 kV lines to the new Clinic Hospital Substation. The Project is located southeast of the intersection of Stokes Blvd. and Cedar Ave. in the city of Cleveland, Cuyahoga County Ohio.

Please be advised of the following:

a) Name and address of the applicants:

American Transmission Systems, Incorporated

76 South Main Street Akron, Ohio 44308

b) Name of proposed facilities:

Inland-Jordan Q11 & Q14 138 kV Transmission Line

Loops to Clinic Hospital Substation Project.

c) Location of proposed project:

The Project area is located southeast of the intersection of Stokes Blvd. and Cedar Ave. in the city of Cleveland,

Cuyahoga County Ohio.

This is to certify that the images appearing are an accurate and complete reproduction of a case file document delivered in the regular course of business.

Technician Date Processed AUG 2 9 2012

d) Description of proposed

facilities:

The Project involves installing approximately two

300 feet (0.06 miles) long loops from the existing Inland-Jordan Q11 & Q14 138 kV lines to the new Clinic Hospital

Substation

e) Applicant's representative:

Jessica Thacker, Engineer

Energy Delivery Transmission and Substation Design

FirstEnergy Service Company

76 South Main Street Akron, OH 44308-1890

After docketing this filing, please return one time-stamped copy of the Letter of Notification for our records to us in the enclosed envelope. We have provided a copy of the Letter of Notification by certified mail, with return receipt requested, to each official of the political subdivisions immediately affected by the proposed project as listed in the attached Exhibit 1. Copies of the transmittal letters addressed to the local government representatives of the city of Cleveland and Cuyahoga County are enclosed for your file.

Should the Ohio Power Siting Board desire further information or discussion of this submittal, please contact me at (330) 384-5955.

Sincerely,

Jessica Thacker

Letter of Notification Inland-Jordan Q11& Q14 138 kV Transmission Line Loops to Clinic Hospital Substation Project <u>Case No. 12--EL-BLN</u>

Dear Mr. FitzGerald,

In the above captioned project, American Transmission Systems, Incorporated ("ATSI"), a subsidiary of FirstEnergy Corp., is proposing to install two (2) approximately 300 feet (0.06 miles) long loops from the existing Inland-Jordan Q11 & Q14 138 kV lines to the new Clinic Hospital Substation. The Project is located southeast of the intersection of Cedar Ave. and Stokes Blvd. in the city of Cleveland, Cuyahoga County Ohio.

In accordance with the provisions of Ohio Administrative Code ("OAC") Rule 4906-1-01, this project falls within the Ohio Power Siting Board's requirements for a Letter of Notification ("LON"). Therefore, in compliance with OAC 4906-11-01 of the OPSB's Rules and Regulations, we have prepared and filed the attached LON with the OPSB for their review and approval. The LON contains a description of the project, and is provided for your information.

I will be happy to answer your questions concerning this matter. You can contact me at (330) 384-5955.

Sincerely,

Jessica Thacker
