Clinic Hospital Substation Project
Ohio Power Siting Board Case Number 11-2754-EL-BSB
Application Fee Remittal

Dear Fiscal Officer:

In Mr. Todd Snitchler's letter to Mr. Morgan Parke, dated August 15, 2012, he indicated that the subject application, filed with the Ohio Power Siting Board, was found to comply with Chapters 4906-01, et seq., of the Ohio Administrative Code (OAC). Mr. Snitchler also indicated, pursuant to ORC Section 4906.06 (F) and OAC 4906-05-11(B), that the amount of \$50,000.00 as an application fee is due upon filing the application with the Ohio Power Siting Board.

It is our understanding, that the fee in the amount of \$50,000.00 was inadvertantly directly sent to the Ohio Power Siting Board and subsequently cleared. Our records indicated that Check Number 1727101 for \$50,000.00 was cleared on August 29, 2012. If you have any questions concerning this submittal please call me at (330) 384-5955.

Sincerely,

Scott M. Humphrys Transmission Specialist Transmission and Substation Design FirstEnergy Service Company
