The amount filed of \$218,479 is an incorrect amount. The corrected amount is \$194,357. This was due to a miscalculation of the special access intra-state. Our auditors have corrected their calculation and it will not be an issue going forward.

Cheryl,

Can you verify that the attached intrastate earnings are correct for 2011? I checked our annual report and can't figure out where they get that figure.

Thanks
