Dear Ms. McNeal:

Enclosed are Ohio Power Company's compliance tariffs, which are being filed in accordance with the Commission's Finding and Order dated September 26, 2012 in Case No. 12-221-EL-RDR. Due to the limitations of the Company's billing system, only five decimal points can be programmed into the rate and, thus, the rate of 13.05465% is being implemented.

The Companies will update their tariffs previously filed electronically with the Commission's Docketing Division.

Regards,
