Docketing Case No.:

12-1682-EL-AIR

Notes:

Please docket the following in the case number above. Thank you.

I'm writing to voice my concerns about the possibility of Duke Energy tacking on an additional fee to my bill for the cost to run the coming Street Car in the Cincinnati area. I did not vote for the street car nor will I be riding the street car. What I don't like is this is going to be forced on the citizens of Cincinnati, and if we don't pay this mandated fee our utilities will be turned off as well. That's not right nor is it fair and I don't think its legal. I'm asking that this fee be dismissed it is not my responsibility to pay a fee for the streetcar. I'm only responsible for the utilities that I use. That's all. I have nothing to do with the utility cost of the street car.
