Re: In the Matter of the Letter of Notification of Middletown  
Cogeneration Company LLC for the MCC Cogeneration  
Station Expansion Project  
Case No. 12-2719-EL-BLN

---

Dear Ms. Wissman:

On October 15, 2012, we electronically filed a Letter of Notification application with the Ohio Power Siting Board seeking approval of the MCC Cogeneration Station Expansion Project. Also, we requested expedited approval of the application.

We would like to withdraw our request for expedited processing of the application. As a result, the application would be subject to the 63-day automatic approval process for letters of notification, which is set forth in Rule 4906-5-02(A), Ohio Administrative Code. The 63<sup>rd</sup> day after the filing of this application is December 17, 2012.

If you have any questions or concerns, please do not hesitate to contact me.

Sincerely,

M. Howard Petricoff
