Docketing Case No.:12-2637-GA-EXM

Notes:

customer states he was calling because he had some old newspapers and according to the article it said to call us and refer to case 12-2637 and it has to do with doing away with the regulated gas prices and he would like to put his two cents in and would like it noted that he wants the regulated gas prices. I explained that I would certainly note that and he thanked for that.
