REQUEST FOR ADMINISTRATIVE HEARING

We would like to make a "Request for Administrative Hearing" on tickets and fines being charged on August 28, 2012. Our position is the same as when we were pulled over by the same police officer (Mealer) over a year ago. We had the trailer secured like we did the last time with the chains and come along underneath and tow straps around the trailer. With the last occurrence, the charges were dropped. I have been discussing with Officer Mealer (several phone calls) about these charges & he has been talking to his boss (Federer) about reviewing all the charges, pictures, etc. I know Officer Mealer was going to request that his boss call me directly (which he never did). Our driver/mechanic has been working on trailers for over 20 years and is excellent in repairing & hauling trailers. The owner of Refix has been working on trailers just as long and has an extensive knowledge on how to repair and haul trailers correctly. Please let me know when our hearing will be. Thank you for any help that you can provide in this matter. Please notify Mark Czupta (owner of Refix) at the address below and CC: our Attorney Alan Lehenbauer, 105 Lincoln, Swanton, OH 43558, on all correspondence. We request that the hearing be held in Fulton or Lucas County. Thank you

Mark Czupta
