Docketing Case No.:12-3151

Notes:

Caller is calling to comment on case # 12-3151, states got this out of the newspaper and it said to contact the puco w/comments. States the regulations need to continue and doesn't want to go w/deregrlation, this doesn't work. States this isn't in the best interest of the consumer. States she wants this to really be considered w/regulations. States its so stressful because you never know what your bill is going to be. States they are referring to this gas as a commodity, what commodity its gas that has flowed through the pipes for yrs. States when you get older you don't want everything to be complicated, elderly needs things to be simple.... its time for america to speak up and she hopes "they" really consider what they do about this. Please docket the attached in the case number above.
