Docketing Case No.:12-1682-EL-AIR

Notes:

With reference to Case No. 12-1682-EL-AIR..... I'm opposed to any rate increase caused by the Cincinnati Street Car project. The whole street car project is a waste of tax payer money. I should not be required to subsidize the street car project in any shape or form even if hidden in my utility bill. If the city wants a street car it must raise the money independently of citizens who reside beyond the city limits.

Please docket the attached in the case number above.
