Docketing Case No.:12-1842-GA-EXM.

Notes:

I am emailing to express my concern about the restructuring of Dominion and eliminating the SCO. With the removal of the SCO there is no benchmark for marketers to beat or for consumers such as myself to know I am getting a good rate. I am in favor of preserving the standard offer or benchmark. The experience of consumers in Georgia in removing the benchmark have resulted in higher rates that are above the national average.
