COMMENT DESCRIPTION:

This morning, I heard that Duke Energy wants to ask PUCO to let them increase their rates 24% for electric and 18% for gas. I ask PUCO to NOT grant this LARGE rate increase. To raise rates this much is down right greedy. What ever happen to 2% or 3% increase? Yes I did get a cola raise this January, 1.7%. WOW, That increase only paid for the 3/4 increase of Medicare. Please think of those who are living on a fixed income when approving this LARGE increase. Thank you in advance, Neil E. VanCleve
