COMMENT DESCRIPTION:

I am writing this letter in regards to the proposed Utility increase from Duke Energy, I am urging you to please DO NOT allow this increase. A rate increase will be devastating to most Ohio Residents and business owners. I also would like to make a point that the funding for the relocation of the lines for the Cincinnati Street Car project needs to come from somewhere else, not from the residents of Ohio. My home is in the City of Cincinnati and I would see a rate increase there as well as my business, this can't happen please deny their request...
