COMPLAINT DESCRIPTION:

Duke energy, at the request Mayor Malory of Cincinnati,wants you to allow rate increases for gas and electric in order to pay for the infrastructure for a streetcar . This is just folly on his part. I live in Butler county,not in Hamilton county,so why would I feel good about paying higher rates to support such a bad idea to begin with. Most residents in Cincinnati do not want it in the first place. Many people are having a difficult time paying their bills now. This request is without merit and should be denied. If Mayor Malory wants a streetcar, let him pay for it himself.
