Case no. 12-426-EL-SSO

Dear Mr. Snitchler,

May I take a moment to make you aware of this large Chamber of Commerce's ongoing partnership with the Dayton Power & Light Company.

I have been president of this organization for over sixteen years, and have enjoyed great support from DP&L all of that time.

They have served on our Board of Directors as Members, Committee Chairs and Chairmen. They have provided speakers, program collateral and sponsorship dollars.

Generally when we launch a new service or product, DP&L is involved in a major way making my job easier.

I know how much they support this community, and activity of merit seems to be made possible by DP&L, how ever they also do a fine job of making this Chamber seem extra special.

Best Regards,

Julia Maxton  
SMRCOC President
