TROY AREA
CHAMBER OF
COMMERCE

January 28, 2013

Chairman Todd Snitchler
Public Utilities Commission of Ohio
180 East Broad Street
Columbus, Ohio 43215

Dear Chairman Snitchler,

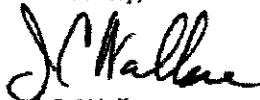

I am writing in support of DP & L's electric security plan currently before the PUCO, Case no. 12-426-EL-SSO.

DP & L is a valuable contributor to our local business community and is an essential partner in our economic development efforts. We count on the financial support of DP & L as a member of the Troy Area Chamber of Commerce and the Troy Development Council. Their financial support allows us to provide a wide variety of services for our local businesses. They also contribute to our local and regional business recruitment efforts which allows us to grow our local economy and create new jobs for Ohio.

DP & L has been very responsive to our requests for quotes on new investment projects. We have very short lead times to provide responses to requests on new investments and it is very important to us that their support has always been available. DP & L has made major investments in the electrical infrastructure in our community which is also very important to the creation of jobs.

Thank you for your consideration of our support!

Sincerely,

J.C. Wallace
President
