ENTRY

The Commission finds:

- (1) On July 25, 2012, Angela Ba (complainant) filed a complaint against Vectren Energy Delivery of Ohio, Inc. (Vectren) alleging that gas service was started fraudulently in her name at her rental property in Miamisburg, Ohio. Further, Ms. Ba stated that Vectren was unwilling to work with her and direct the collection of the past-due balance on the account to the actual user of the gas service.
- (2) On August 14, 2012, Vectren filed an answer stating either that the company was without sufficient knowledge or information to admit or deny the allegations in the complaint or that the company denied the allegations in the complaint.
- (3) On February 4, 2013, Ms. Ba and Vectren filed a joint motion to dismiss the complaint. In the motion, the parties represent that this matter has been settled and that they have executed a confidential settlement agreement. Further, the parties request that the complaint be dismissed with prejudice.
- (4) In view of the settlement of the complaint, this case should be dismissed with prejudice.

It is, therefore,

ORDERED, That the joint motion to dismiss is granted and Case No. 12-2161-GA-CSS is dismissed with prejudice. It is, further,

ORDERED, That a copy of this entry be served upon each party of record.
