COMPLAINT DESCRIPTION:

Dear Sirs, I wish to strongly protest the proposed "Riders" which would allow Duke Energy to collect money to help defray the cost of the Streetcar Project.

This is a dangerous precedent, and should NOT be allowed. This is simply a devious way to hide the real cost of this project, and could be used to obfuscate the cost of any future projects.

It is also potentially "Taxation Without Representation". You know, we fought a Revolution against Great Britain over that subject. Sincerely, Richard Ringo
