COMPLAINT DESCRIPTION:

Based on the article below in the Wall Street Journal, Duke is not hurting financially by any means!! By increasing the distribution cost to small -medium business owners and residential consumers is not the way to help or stimulate the economy. Take a look at their stock performance over the last three years!! PUCO should reject this without a doubt!!

Duke Energy 4th-Quarter Profit Soars on Addition of Progress Energy

02/13/13 Dow Jones Newswires

Please docket the attached in the case number above.
