- *(no account number provided?)*

COMMENT DESCRIPTION:

I do not think that Duke Energy should be able charge customer's outside of Cincinnati, Oh a fee to fund the street car project in that city. I personally feel that it is irresponsible for Cincinnati to do it in the first place. Secondly it amount to hidden tax on everyone not located in the city and should not be allowed to take place. I cansee a lawsuit coming if this rate increase by Duke is allowed.
