Case No. 12-1302-EL-CSS

Please let this letter serve notice that Elegant Autowash intends to pursue the above referenced complaint before the PUCO.

I request adequate time to prepare my case and to work on the financial aspects of presenting this case before the Commission. This reason for the original complaint has put a financial burden on my business. I will need as much time as can be reasonably granted to work on a financially viable means of presenting this case before the PUCO. An additional six months is requested.

Sincerely,

Larry Oury  
Owner  
Elegant Autowash
