COMPLAINT DESCRIPTION:

I understand that Duke Energy is threatening to pass on the costs of handling the electricity for the new (to be built) streetcar line in the city of Cincinnati. This transfer of such costs to go to customers living outside of Cincinnati (e.g. Butler County).

I EXPECT PUCO TO TAKE A STAND AGAINST SUCH UNJUST MANIPULATION. AND I EXPECT TO SEE IN THE PUBLIC NEWS MEDIA WHERE PUCO HAS TAKEN SUCH A STAND!!! IF THIS IS NOT THE POSITION PUCO TAKES ON THIS MATTER, PUCO CAN FORGET ABOUT STOPPING AT OUR HOME IN THE FUTURE FOR SIGNATURES ON THEIR PETITIONS!

Docketing Case No.:

Notes:

This in regards to the Cincinnati rail car! If I had a chance to vote on it and if I lived in Hamilton County it would be one thing. But I live in Butler County and I never voted on it and I will never use it so why in the heck should I have to pay for Malaroy's Folly?? You said the Duke Ohio service so why is it to just the surrounding Counties? We do not want the rail car and we will never use it so why are we paying for their MISTAKES? You can tell them for me to shove where the sun does not shine!!! I am not going to pay for their piece of CRAP. Thank you for your time and if you have any questions as to how I feel about this subject PLEASE contact me.

Please docket the attached in the case number above.

COMMENT DESCRIPTION:

If the voters in Cincinnati elected public officials who decided to install a street car that causes Duke to have to move their current utilities, then let the voters and the City of Cincinnati pay for the relocation. Why would the citizens of Butler County want to pay for something we did not vote on? We the voters of Butler Co. do have a dog in this fight....it's our wallets as usual. The street car is one of the dumbest projects ever imagined that will cost and is costly every tax payer in the country and now Duke wants me to pay more in electric to help pay for Cincinnati's stupidity! I pretty sure you understand my interest.
