ENTRY

The attorney examiner finds:

- (1) The Dayton Power and Light Company (DP&L) is a public utility as defined in Section 4905.02, Revised Code, and, as such, is subject to the jurisdiction of this Commission.
- (2) On March 30, 2012, DP&L filed an application for a standard service offer (SSO) pursuant to Section 4928.141, Revised Code. The application was for a market rate offer in accordance with Section 4928.142, Revised Code. On September 7, 2012, DP&L withdrew its application for a market rate offer. On October 5, 2012, DP&L filed an application for an electric security plan in accordance with Section 4928.143, Revised Code. Additionally, DP&L filed

accompanying applications for approval of revised tariffs, for approval of certain accounting authority, for waiver of certain Commission rules, and to establish tariff riders. On December 12, 2012, DP&L amended its application for an electric security plan.

- (3) On January 14, 2013, the attorney examiner granted a joint motion filed by over fifteen parties to this case to vacate or amend the procedural schedule. The attorney examiner set a new procedural schedule with the deadlines for intervenor and Staff testimony on February 25, 2013, and March 4, 2013, respectively.
- (4) On February 21, 2013, DP&L filed a motion to amend deadlines for intervenors and Staff to file testimony. The motion requests that the deadline for intervenors to file testimony be moved from February 25, 2013, to March 1, 2013, and that the deadline for Staff to file testimony be moved from March 4, 2013, to March 8, 2013. The memorandum in support indicates that moving the deadlines will facilitate ongoing settlement negotiations in this case. Furthermore, the motion requests an expedited ruling and indicates that DP&L has contacted all other parties to the case to determine whether any party objects to the issuance of an expedited ruling. DP&L states in the motion that no party objects to an expedited ruling.
- (5) Pursuant to Section 4901-1-12(C), Ohio Administrative Code, if an expedited ruling on a motion is requested, the party requesting the expedited ruling may contact all other parties and, if no party objects to an expedited ruling, an immediate ruling may be issued. Here, DP&L has certified in its motion that no party objects to an expedited ruling. The attorney examiner finds that the motion to amend deadlines for intervenors and Staff to file testimony is reasonable and should be granted. Accordingly, intervenors should file testimony by March 1, 2013, and Staff should file testimony by March 8, 2013.

ORDERED, That the motion to amend deadlines for intervenors and Staff to file testimony is granted in accordance with finding (5). It is, further,

ORDERED, That a copy of this entry be served upon all parties of record.
