COMMENT DESCRIPTION:

Case number 12-1682 My husband and I do not want to have to pay for the Cincinnati Street car on our Duke Electric bill. We will never use it and do not think this project is in the best interest of all taxpayers. We are not sure the expense of the project is going to see the total result. We do not want to be open to other riders on our electric bill. We would like to have a vote in incoming riders. We cannot figure out a reasonable solution why Butler County is being asked to pay for the Cincinnati street car?? We vote a definite 'No'.

COMMENT DESCRIPTION:

Concerning Case No. 12-1685 Electric Bill and I do not think this is a good time to increase our gas bill in order to clean or demolish the manufacturing gas plants. With our economy the way it is, jobs lost, burdens for house owners, increase in taxes as well as gasoline for cars, we do not want to pay the increase for this job. There are too many people on fixed incomes which are not rising. We vote NO on this case to increase the gas energy bill.
