COMMENT DESCRIPTION:

Concerning Case No. 12-1685 Electric Bill and I do not think this is a good time to increase our gas bill in order to clean or demolish the manufacturing gas plants. With our economy the way it is, jobs lost, burdens for house owners, increase in taxes as well as gasoline for cars, we do not want to pay the increase for this job. There are too many people on fixed incomes which are not rising. We vote NO on this case to increase the gas energy bill.
