Attorney for DPL Energy Resources, Inc.

DPL Energy Resources, Inc.

Annual Alternative Energy Portfolio Status Report

Pursuant to Ohio Administrative Code (OAC) Section 4901:1-40-05(A)(1), DPL Energy Resources, Inc. (DPLER) hereby submits its Alternative Energy Portfolio Status Report for calendar year 2012. DPLER is an electric services company within the meaning of Ohio Revised Code (ORC) Section 4928.01(A)(9) and is therefore subject to the advanced energy and renewable benchmarks contained in ORC Section 4928.64(B). The purpose of this report is to provide the Public Utilities Commission of Ohio (PUCO), as well as all interested parties, an understanding as to how DPLER met its 2012 Renewable and Solar Energy Benchmarks.

2012 Benchmarks

The 2012 Baseline Sales level was computed by calculating the average of MWh sales in the last three years. The Non-Ohio Renewable Benchmark, Ohio Renewable Benchmark and Non-Ohio Solar Benchmark were calculated based on that Baseline Sales level multiplied against the percentage Benchmarks set forth in ORC §4928.64.

	(A)	(B)	(C)

23	Acquired from Ohio Facilities	1,182	Attachment 1

2012 Status Report

As shown in the above table, DPLER met each of the Benchmarks set forth above in 2012. Attachment 1 shows the facility, location, and other details of the RECs obtained for the 2012 compliance.

Pursuant to ORC §4928.65, RECs that were purchased by DPLER are usable within a five-year period. Any RECs held by DPLER in excess of its 2012 Benchmarks will be applied to future year benchmarks.

2012 Activities

DPLER's utility affiliate Dayton Power and Light (DP&L), filed its initial renewable compliance plan in its Electric Security Plan (ESP) (Case No. 08-1094-EL-SSO) in October 2008. That plan stated that the Company as a whole planned to procure renewable resources and/or RECs to meet the Benchmarks of both the utility and DPLER. In its Order of June 24, 2009, the Commission approved a Stipulation reached in that proceeding and other aspects of the filing not modified by the Stipulation. The plan also called for the purchase of RECs in the near-term. DP&L obtained sufficient RECs to cover its, as well as DPLER's, Benchmarks as demonstrated in Attachment 1.

Advanced Energy Resource Benchmark

Pursuant to OAC Section 4901:1-40-05(A)(2), the annual review of this Benchmark will begin in 2025.

4

Conclusion

As demonstrated above and in Attachment 1, DPLER met each of the 2012 Renewable Benchmarks established by Ohio SB 221.

Redacted Attachment 1

This Exhibit contains confidential, proprietary, and trade secret information and the unredacted version is being submitted under seal
