[illegible]

Norfolk Southern Railway Company respectfully confirms that it has been working with the involved utility (American Electric Power) and understands that power should be installed at the subject grade crossing (Center Road/Township Road 58, DOT#481-602S in Seneca County) by mid-May of 2013; assuming so, then Norfolk Southern should be in a position to meet the ordered installation deadline of June 12, 2013.

Respectfully submitted,

EASTMAN & SMITH LTD.
