Dear Ms. Wissman,

American Transmission Systems, Incorporated ("ATSI"), a FirstEnergy Company, today under separate cover, have filed with the Public Utilities Commission of Ohio, Docketing Division, the subject Letter of Notification ("LON"). The Project area is located in an existing transmission corridor extending into North Bloomfield Township in Morrow County, Polk Township in Crawford County, and Sandusky and Springfield Townships and the City of Ontario in Richland County, Ohio. ATSI, also under separate cover, has submitted a payment of \$2,000 so that the Letter of Notification may be reviewed on an expedited basis.
