Re: *Suburban Natural Gas Company v. Columbia Gas of Ohio, Inc.*
Case No. 13-1216-GA-CSS

Dear Secretary:

In its Motion to Reopen and for Enforcement of Finding and Order Entered January 18, 1996 in Subject Proceedings Approving Joint Stipulation and Recommendation ("Motion"), Suburban Natural Gas Company ("Suburban") pointed out that Columbia Gas of Ohio, Inc. ("Columbia") had installed taps on the Northern Loop to serve residential customers at 5930, 5730, 5782, 6460, 6476, 6480, 6660, and 6405 Jaycox Road, Galena, Ohio 43021. *See* Memorandum in Support at 5. It also pointed out that it had received an OUPS ticket regarding a gas service line installation attached to the Northern Loop at 5950 Jaycox Road but, as of the date of the filing, Columbia had not proceeded with the tap. *See id.* Observations in the field indicate that Columbia has now proceeded with and completed the tap. Accordingly, with the consent of Columbia's counsel, Suburban hereby supplements its Motion consistent with this letter.

Sincerely,

William J. Michael, Esq.
