Case No. 12-2177-EL-CSS

MOTION TO CONTINUE HEARING

Complainants respectfully request that the hearing currently scheduled for August 20, 2013 be continued for the reason that the current date conflicts with Complainants' previously scheduled family vacation.

When the undersigned counsel for Complainants agreed to the August 20 hearing date, he had mistakenly noted the family vacation on his calendar for the week of August 12, when in fact it was (and is) scheduled for the week of August 19. Complainants are both scheduled to be in California the week of August 19 visiting family. The undersigned just realized this mistake and conflict and thus respectfully asks that the hearing be changed to another date.

Complainants do not believe a slight delay in the hearing will prejudice any party.

Respectfully submitted,

John K. Keller (0019957)
