ENTRY

The attorney examiner finds:

- (1) On March 8, 2012, Jack Teubner (complainant) filed a complaint against Ohio Edison Company (Ohio Edison). Mr. Teubner alleges that the electric bills he received from the respondent significantly increased consecutively for a three-month period during early Fall of 2010, then went back to normal after the meter, which the complainant alleges was damaged by a power surge, was changed. The complainant maintains that he was overcharged for power during the period when the allegedly damaged meter was relied upon in billing him. Next, the complainant alleges that, out of the blue and without explanation, his bill shot up again. According to the complaint, Mr. Teubner contacted the company and, working with a PUCO investigator throughout January and February of 2012, has tried, in vain, to get any response from the respondent regarding his "very inflated bill" and the company's assessment of the cause of the problem.
- (2) On March 29, 2012, Ohio Edison filed its answer denying the complainant's substantive allegations. Further, Ohio Edison set forth affirmative defenses including that Ohio Edison has at all times complied with the Revised Code, the rules, regulations, and orders of the Commission, and its tariff.

- (3) By entry issued on May 9, 2012, a prehearing settlement conference was scheduled to occur at the Commission's offices on June 14, 2012. By subsequent entry, the settlement conference was rescheduled to occur as a teleconference on June 20, 2012. The teleconference occurred, as scheduled, on June 20, 2013. However, the parties did not resolve any issues during the settlement teleconference.
- (4) Accordingly, the attorney examiner finds that this matter should be scheduled for hearing, to occur on December 4, 2013, at 11:00 a.m., in Hearing Room 11A of the Commission's offices at 180 East Broad Street, Columbus, Ohio 43215-3793.
- (5) As is the case in all Commission complaint proceedings, the complainant has the burden of proving the allegations of the complaint. *Grossman v. Public Util. Comm.*, 5 Ohio St.2d 189, 214 N.E.2d 166 (1996).

It is, therefore,

ORDERED, That, in accordance with the above findings, a hearing is hereby scheduled to occur on December 4, 2013, at 11:00 a.m., in Hearing Room 11A of the Commission's offices at 180 East Broad Street, Columbus, Ohio 43215-3793. It is, further,

ORDERED, That a copy of this entry be served upon each party of record.
