To the PuCo:

I AM APPEALING ALL
decisions by the PuCo AGAINST
DP&L. The PuCo is suppose to be
for the consumer NOT for DP&L
I have proof of DP&L illegal
acts, and it was over looked by
the PuCo. DP&L called a witness
that had nothing to do with my
complaint also, it was brought
to the PuCo about DP&L lies
under oath. I was not on PPP
but DP&L kept saying I was
this didn't have anything
to do with my case against DP&L.
I am bring my complaint against
DP&L again and also I will involve
the senator in this because
the PuCo is not for the consumer
but for the DP&L corporation.
Also the PuCo said I didn't
show up at the 2-12, 13 hearing
hearing which is a lie I didn't
receive one from them.
