Subject: 13-0623 Eastman, Nick address problem

Hello Mahila,

The certification number is 13-SPV-OH-GATS-0262.

The address that was listed on the application was 250 King St., Yellow Springs, OH 45387. This was just his mailing address, but he had it listed as his facility address.

The address that the panels are located, and is his current mailing address, is 661 Thistle Creek Lane, Yellow Springs, OH 45387.

I can't find it on the map, but he pointed out to me where it is on the map. It's not labeled on Google Maps for some reason. He doesn't know the lat/long and I couldn't look it up since I couldn't find the address. He's going to see if he can get that for me tonight.

The arrow is pointing to the house his panels are on - 661 Thistle Creek Lane. I hope this helps!

Sorry for the confusion. Thanks for your help.

Best regards,

Alisa Hobdy
