Re: Susan Payson 1835 State Route 123

Lebanon, OH 45036

Docketing Case No.: 12-2050-EL-ORD

Notes:

A representative from Duke Energy recommended that I contact the PUCO regarding allowing customers an opt-out for smart metering. He indicated that that would help Duke as many people do not want the meter for vaious reasons. Opt outs are allowed in several other states so there is a precedent for you to rely on in making this available to Ohioans. We should have a choice. I am in favor of this, as are others. Please advise as soon as possible.

Please docket the attached in the case number above.
