ENTRY

The attorney examiner finds:

- (1) A settlement conference was held in this case on February 13, 2013. Both the complainant, Robert Ferguson, and the respondent, The Cleveland Electric Illuminating Company (CEI), attended the conference.
- (2) As a result of the conference, the parties reported that a tentative settlement had been reached. However, the attorney examiner subsequently was notified by Mr. Ferguson he still had an unresolved issue regarding his complaint against CEI.
- (3) Accordingly, the examiner believes that a second settlement conference should be conducted at 12:00 noon on September 6, 2013. At that time, both parties should call the toll-free telephone number, 866-209-2820, and then enter the conference code number, 9781140448, in order to participate in the conference.

It is, therefore,

ORDERED, That a second settlement conference be held in this case in accordance with Finding (3). It is, further,

ORDERED, That a copy of this entry be served upon all parties of record.
