Alternative Energy Portfolio Status Report

Case No: 13-1912-EL-ACP

To whom it may concern:

Included in this filing is a redacted version of ArcelorMittal USA, LLC's 2012 Annual Alternative Energy Portfolio Status Report. This also includes our forecasted values for future years as they pertain to alternative energy. This report has been redacted because it contains certain confidential and proprietary information. Pursuant to Rule 4901-1-24(D) of the Ohio Administrative Code, a motion for protective order has been filed and three copies of the confidential version of the report have been submitted under seal.

If you have any questions or require additional information, please contact me at (219) 399-4898.

Thank you,

I. 2012 ANNUAL ALTERNATIVE ENERGY PORFOLIO STATUS REPORT

a. Baseline Calculation

ArcelorMittal USA, LLC had no Ohio retail electric sales for 2009, 2010 or 2011. Our 2012 baseline calculation is simply our projected sales for the year of 2012.

b. 2012 Renewable and Solar Energy Resource Benchmarks and Demonstration of Compliance

[REDACTED]

II. PLAN FOR COMPLIANCE WITH FUTURE ANNUAL ADVANCED AND RENEWABLE ENERGY BENCHMARKS

Attachment B contains our future projections as they pertain to our alternative energy compliance. For the 2012 and 2013 years, the baseline is as mentioned above (I A). For the 2014 year, the baseline is an average of year 2012 and 2013 sales. For the remaining years, the baseline is calculated using the average of the previous 3 years' sales projections.

III. CONCLUSION

- a. ArcelorMittal USA, LLC respectfully requests that the Commission find that ArcelorMittal USA, LLC has complied with the 2012 ACP reporting requirements. [REDACTED]
