Subject: RE: Road Closure

Paul,

You need to start with Duane Solsson our Maintenance of Traffic Engineer at 740.833.8162. His scheduled is booked for Thursday, June 21 from 9 a.m. to 1p.m., so plan your call accordingly.

ODOT does have a project to work along SR 315 to sell in 2014. AEP should have received Stage 1 plans in March/April 2012 for the work. I spoke with the project manager, Becky Wagner and currently it is not anticipated that AEP will have to relocate any poles, but wanted you to take the project in consideration if you are planning pole relocations as part of your line work.

Thank you,

Ruth Wiechman

Subject: Road Closure

Ruth,

I need to speak with someone about closing a section of St Rt 315 (Olentangy River Rd) from Jewitt to Powell Rds to perform line work and tree trimming. This work will require shut down for Three (3) 8 - 10 hour intervals.

I realize I will have to hire State Patrol or local law enforcement at each end of the project along with signage and with notification of emergency services for the duration of the closures.

AND - of course - apply for the proper permits !

Question : Who will determine when & how long the road can be closed ?

Could you give me a name & number to talk to someone ?????

Thanks,

Paul A. Roehrig
