RE: Aggregator and Power Broker Case Number: 12-1749-EL-AGG

Dear Secretary McNeal:

We are currently energy broker licensed in the state of Ohio. We are interested in expanding into the residential market. As per my email communication with Chuck Stockhausen OH PUC, I am in request of receiving permission from the Commission to also include residential services to our current energy broker license. Please let us know once this has been accepted and confirmed with the Commission.

If there is anything else you need from us, please feel free to contact me.  
Thank you so much and have a great day.

All the best,
