**BRAKEY ENERGY RETAIL LLC'S
ANNUAL ALTERNATIVE ENERGY PORTFOLIO STATUS REPORT**

I. Introduction

Brakey Energy Retail LLC ("Brakey") is an electric services company as defined within Section 4928.01(A)(9), Revised Code. Pursuant to Section 4928.64, Revised Code, and Rule 4901:1-40-05(A), Ohio Administrative Code, Brakey submits its alternative energy portfolio status report for 2012. Brakey was issued a certificate to provide services as an electric aggregator/power broker on August 10, 2011.

II. Baseline Calculation

Section 4928.64(B), Revised Code provides:

The baseline for a utility's or company's compliance with the alternative energy resource requirements of this section shall be the average of such total kilowatt hours it sold in the preceding three years, except that the commission may reduce a utility's or company's baseline to adjust for new economic growth in the utility's certified territory or, in the case of an electric services company, in the company's service area in this state.

Brakey's actual sales for each of the subject years are as follows:

2008 Sales	0 MWH
2009 Sales	0 MWH
2010 Sales	0 MWH

Three-year average 0 MWH

III. Renewable Benchmarks

Brakey's 2011 renewable benchmark is as follows:

2011 Baseline 0 MWH

The total renewable and solar requirement is equal to 1.50% of the 2012 baseline, with a specific requirement that 0.06% be achieved through solar.

Brakey's total electricity sales during 2011 were 0 MWH. Therefore, it was not necessary for Brakey to acquire solar or renewable energy credits.

IV. Compliance Strategy

At this time, Brakey does not anticipate making electricity sales during 2012. However, to the extent Brakey does engage in any such electricity sales, its compliance strategy will be to satisfy the renewable and solar portfolio obligation through the purchase of appropriate renewable energy certificates.

V. Conclusion

WHEREFORE, Brakey requests that the Commission find that Brakey has met all annual alternative energy portfolio status report filing requirements.
