ENTRY

The Commission finds:

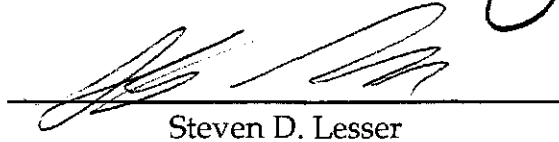

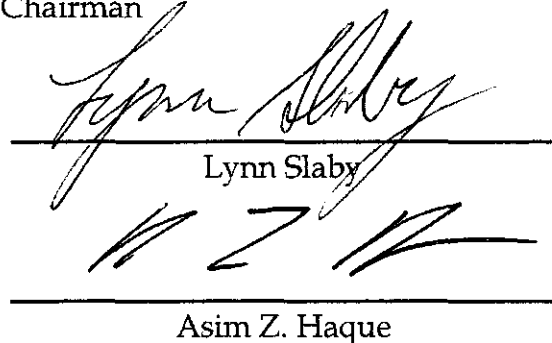

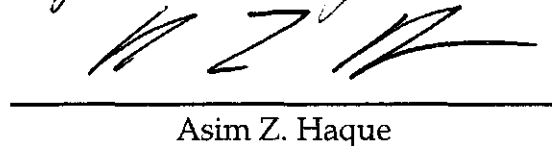

- (1) On August 5, 2013, David Vorherr, filed a complaint against Duke Energy Ohio, Inc. (Duke) alleging that Duke wrongfully and unjustly charged him for electric service that he did not receive. The complaint alleged that \$90.00 in charges should have been \$9.00 in charges, and that there were charges on days when no electricity was being supplied to the property.
- (2) On August 20, 2013, Duke filed an answer denying all the allegations set forth in the complaint. Duke asserted numerous affirmative defenses and requested that the complaint be dismissed or that a teleconference be scheduled for the purpose of discussing settlement of the issues.
- (3) On September 23, 2013, the parties filed a joint motion to dismiss. In the joint motion, the parties requested that the Commission dismiss the complaint, with prejudice, because all issues raised in the complaint have been resolved.
- (4) The Commission finds that the parties' joint motion to dismiss the complaint, with prejudice, is reasonable and should be granted.

It is, therefore,

ORDERED, That the joint motion to dismiss the complaint, with prejudice, be granted. It is, further,

ORDERED, That a copy of this Entry be served upon each party of record.
