Dear Ms. Goodrich:

Pursuant to Rule 4906-5-06 of the Ohio Administrative Code, Hardin Wind LLC is serving you with a copy of the accepted, complete Application of Hardin Wind LLC in Ohio Power Siting Board Case Nos. 13-1767-EL-BSB and 13-1768-EL-BTX. This application seeks authorization to construct an approximate five mile transmission line (Case No. 13-1768-EL-BTX) and a point of interconnection switch yard (Case No. 13-1767-EL-BSB), both of which will be located in Hardin County. Please place the application in an appropriate place in your library for public use.

Recently, you received a copy of the accepted, complete Application of Hardin Wind LLC in Ohio Power Siting Board Case No. 13-1177-EL-BGN which seeks authorization to construct the Scioto Ridge Wind Farm, which is proposed to have up to 176 wind turbines in Hardin and Logan Counties capable of generating up to 300 megawatts of electricity. The Scioto Ridge Wind Farm, the transmission line and the point of interconnection switch yard are all interrelated as the point of interconnection switch yard and the transmission line are proposed to be constructed so as to transport electricity generated by the Scioto Ridge Wind Farm to the PJM Interconnection Regional Transmission Grid. These projects, which are scheduled to be constructed concurrently, may be consolidated into one hearing.

OPSB Case Nos. 13-1767-EL-BSB and 13-1768-EL-BTX

Dear Commissioners Core, Bayliss and Wickersham:

Pursuant to Rule 4906-5-06 of the Ohio Administrative Code, Hardin Wind LLC is serving you with a copy of the accepted, complete Application of Hardin Wind LLC in Ohio Power Siting Board Case Nos. 13-1767-EL-BSB and 13-1768-EL-BTX. This application seeks authorization to construct an approximate five mile transmission line (Case No. 13-1768-EL-BTX) and a point of interconnection switch yard (Case No. 13-1767-EL-BSB), both of which will be located in Hardin County.

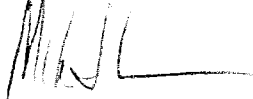

Recently, you received a copy of the accepted, complete Application of Hardin Wind LLC in Ohio Power Siting Board Case No. 13-1177-EL-BGN which seeks authorization to construct the Scioto Ridge Wind Farm, which is proposed to have up to 176 wind turbines in Hardin and Logan Counties capable of generating up to 300 megawatts of electricity. The Scioto Ridge Wind Farm, the transmission line and the point of interconnection switch yard are all interrelated as the point of interconnection switch yard and the transmission line are proposed to be constructed so as to transport electricity generated by the Scioto Ridge Wind Farm to the PJM Interconnection Regional Transmission Grid. These projects, which are scheduled to be constructed concurrently, may be consolidated into one hearing.

If Logan County wishes to intervene in the proceedings, it must file a notice of intervention with the Board in both case dockets within thirty days of being served a copy of the Application.
