ENTRY

The attorney examiner finds:

- (1) A hearing currently is scheduled in this matter on December 11, 2013.
- (2) On November 7, 2013, The Cleveland Electric Illuminating Company (CEI) filed a motion requesting a continuance of the hearing and a request for an expedited ruling. In support of the motion, CEI states that counsel for CEI has a conflict with the hearing date due to the expected rescheduling of the workshop in Case No. 12-3151-EL-COI. CEI states that it also is seeking a continuance to allow the Commission time to consider its motion to dismiss, pursuant to Rule 4901-9-01(F), Ohio Administrative Code, which was filed contemporaneously with its motion for a continuance. Further, CEI states that it would prefer not to spend resources to have its witness travel to a hearing unnecessarily.
- (3) The attorney examiner finds that the request for a continuance is reasonable and should be granted. If necessary, the hearing will be rescheduled by subsequent entry.

It is, therefore,

ORDERED, That the hearing in this case be continued in accordance with Finding (3). It is, further,

ORDERED, That a copy of this entry be served upon each party of record.
