Re: *In the Matter of the Application*
Of Cincinnati Bell Telephone Company
Case No. 96-899-TP-ALT

Dear Mr. Vigorito:

On December 6, 1999 AT&T, MCImetro and CoreComm filed a joint application for rehearing in the above case. Unfortunately, the filed document contained confidential information that should not have been placed on the public record.

It is hereby requested that the document filed on that date be withdrawn from the public record and that it be replaced with the enclosed redacted version of the application. The copies which were filed on Monday should be kept under seal in accordance with the motion for protective treatment which is being filed concurrently with the redacted copies.

Please accept my apologies for any inconvenience this oversight may have caused you. Thank you for your attention to this matter.

Sincerely,

Judith B. Sanders
