RE: Deletion of References / Notations, NRGyINC, LLC for Kent PV

Mark,

Per our conversation, I need to remove all references, notes or information with public access that refers to my business name, NRGyINC, LLC in the Ohio Public Utilities Commission records for my renewable photovoltaic array.

The arrays were filed and approved for generation in the State Of Ohio under PUCO **Case No: 10-0189-EL-REN, 10-0190-EL-REN** in 2009, I believe. Please delete the business name references. Please replace the name for the two arrays with Kent PV 4.93kw and Kent PV 1.75kw or a similar standard Ohio PUCO naming convention.

Please alert me to any further action I need to take to support or advance this request for deletion of references to NRGyINC, LLC.

Best regards,

Perry L. Kent
