To whom it may concern:

As required by Order of PUCO Case No. 13-2137-RR-FED, this correspondence is intended to formally notify interested parties that the process to ensure availability of electrical service at the subject grade crossing has been initiated, and that preliminary construction activities will begin in March 2014.

Should you need to further discuss this matter or have any questions or comments, I can be reached at (904) 900-6247.

Thank you,
